Hameed has a broad range of experience which covers corporate and commercial law, dispute resolution and labour and employment law. He primarily supports the corporate team with the formation of new companies in the UAE, including in free zones, maintenance of existing companies, liaising with government departments, drafting memoranda and conducting research.

Prior to joining Afridi & Angell, Hameed was a public relations officer at Dr Joy Healthcare Management DMCC in Dubai, where his work included arranging employment visas, DHA and DED licenses, as well as setting up a new clinic and obtaining approvals from various government bodies. Prior to that, Hameed worked as an operations manager with MTL Middle East Corporate Service Provider and as a senior corporate executive at UHY Chartered Accountants in Dubai.
