Razan assists lawyers on a wide range of dispute resolution and commercial matters. She primarily assists the dispute resolution team in legal research, document classification, and document management and drafting. She also assists the corporate team in legal research.

Prior to joining Afridi & Angell, Razan was a legal researcher for a local law firm in Dubai where she interfaced with clients and assisted in case management and document review. Prior to that, Razan was a legal assistant at a leading company in Dubai which provides integrated services to domestic and international organisations where she was responsible for managing clients' legal files and matters, which included providing status updates and advising on next steps, in the Dubai courts.
