Stephanie joined Afridi & Angell in 2023. She advises clients in domestic and cross border transactions in connection with mergers and acquisitions, joint ventures, private equity and corporate restructuring matters. She has advised clients across a wide range of sectors, including, manufacturing, technology, FMCG, and healthcare. She has extensive experience in drafting and negotiating various legal documents including sale and purchase agreements, joint venture agreements and shareholder agreements.

Prior to joining Afridi & Angell, Stephanie was an associate at a leading law firm in Mumbai, India. She has extensive knowledge and experience in relation to general corporate, mergers and acquisitions and private equity laws and practices in India.

Stephanie's notable transactional experience includes:

- Advising a large Chinese construction enginee ring company on its 49:51 joint venture with a local engineering and construction company in Abu Dhabi in relation to the execution of railway construction projects in the UAE.
- Advising DUBAL Holding and the Tadweer Group on its 100% acquisition of Enviroserve, an e-waste specialist company.
- Advising DUBAL Holding on acquiring a majority stake in BioD, UAE's largest biodiesel manufacturer.
- Advising a Japanese conglomerate on its exit from a large family run multi-sector, multi-market group in the UAE.
- Advising a DFSA regulated financial services firm in the Dubai International Financial Centre (DIFC) on its 100% acquisition of another boutique financial services firm in the DIFC.
- Advising foreign companies on the establishment and incorporation of special purpose vehicles/holding companies in the Abu Dhabi Global Market (ADGM) and DIFC.
- Advising an investment advisory firm on its issuance of optionally convertible redeemable preference shares in India.
- Advising Reliance Retail Ventures Limited, along with its wholly owned subsidiary, Reliance Retail and Fashion Lifestyle Limited, on acquisition of the entire retail & wholesale, logistics and warehousing business of the Future Group.
