yassir@afриди-angell.com

Yassir has extensive experience providing government liaison support for completing and registering various corporate transactions across onshore and the various free zones in the UAE. He successfully processes entity incorporations and licensing while ensuring compliance with local regulations. He also advises on various corporate matters, prepares legal documents such as powers of attorney and resolutions, and manages the delivery of various projects.

Prior to joining Afridi & Angell, Yassir spent three years as an Entity Governance & Compliance Associate at a global professional services firm where he supported clients in ensuring that their corporate entities operate in compliance with relevant laws and regulations, both in local and international contexts.
